

Connecting the community to support
student success.

STRATEGIC FOCUS AREAS

VISION

Through education and community collaboration, all Ottawa students will leave school ready for post-secondary education and fulfilling careers.

MISSION

Harness the resources of the Ottawa community to help K-12 students succeed in a globally-connected world.

LEARNING AND WELL-BEING

ONFE helps students learn by removing barriers, and providing additional targeted support.

ONFE's innovative collaborative programs address critical issues such as: hunger or inadequate nutrition; skill deficits in literacy, numeracy and/or learning disabilities; and substance abuse.

CAREER READINESS

ONFE helps students develop work readiness and financial literacy skills, and make informed choices about education and careers.

ONFE's innovative collaborative programs connect educators with employers to deliver work-integrated learning experiences for students in STEM, entrepreneurship and other high demand disciplines.
