RÉSEAU
D'OTTAWA POUR
L'ÉDUCATION

The Ottawa Network for Education (ONFE) collaborates with community partners and works side-by-side with educators to bring innovative and essential programs into schools to address critical issues, provide students with the additional support they need to succeed, and prepare them for post-secondary studies and fulfilling careers.

We are the only organization in Ottawa to partner with all four school boards to develop and deliver much-needed programs to schools across the region. No other community organization has the reach and ability to support the learning, well-being and career readiness of Ottawa students.

If you believe in the value of this work, are passionate about enhancing public education, and want to help the next generation of children and youth succeed in school and life, you may wish to consider a bequest or legacy gift to the Ottawa Network for Education.
