

# Self-Directed Programs

JA's online programs for youth in grades 3 – 12 focus on financial literacy, work readiness and entrepreneurship. These programs are provided FREE OF CHARGE thanks to the generosity of JA donors and sponsors.

## It's easy to get started:

1. Go to [resources.jacampus.org](https://resources.jacampus.org)
2. Create your account (*children under 18 require parental permission*)
3. Read the program descriptions and select the one you want
4. Get started!
