

ONFE

The Ottawa Network for Education (ONFE) is a charitable organization that collaborates with partners from education, business, government, and the community to develop enriching programs for K-12 students. Working with the four public school boards in Ottawa, ONFE supports children and youth in English and French.

Mission

To inspire and support every child's learning journey in reaching their full potential by connecting community resources to help K-12 students succeed. We fuel kids and ignite learning.

Value Proposition

No other community organization has the reach and ability to deliver such impactful programs directly to K-12 kids in the space in which they learn. We have a proven track record of accomplishment and collaboration with resources across the community. We foster a culture of inclusion, learning, flexibility, and innovation.

ONFE Pillars

Learning

We strive to remove barriers to learning by matching trained volunteers with teachers and students that need extra help.

Health & Well-being

We strive to identify and provide solutions to serious problems that affect wellness and academic achievement, including student hunger and problematic substance and technology use.

Career Readiness

We strive to help secondary students make informed career choices and transition successfully to post-secondary studies and fulfilling careers.
