2025 SPONSORSHIP PACKAGES

Breakfast for dinner never tasted so good – or did so much good, right here in your own community!

Enjoy the classiest breakfast-for-dinner menu in Ottawa, while supporting the 4 million breakfasts that the Ottawa Network for Education (ONFE) serves annually to students across the city.

ONFE would like to invite your organization to be a partner in our mission by sponsoring the Spark Soirée, taking place Friday, May 2, 2025 at the Infinity Convention Centre.

With support from individual and corporate donors, organizations, volunteers, educators, the City of Ottawa, and the Ontario Ministry of Children, Community and Social Services, ONFE ensures that local children and youth have the energy their growing bodies and developing brains need to succeed in school.
